PROMOTION

IN ASSOCIATION WITH

TO MARK THE RELEASE OF THE SASSY NEW MOVIE, **HOW TO BE SINGLE**, WE ASKED OUR READERS TO TWEET US THEIR FUNNIEST DATING MOMENTS. HERE'S A SELECTION OF THE BEST STORIES WE RECEIVED THIS WEEK

NO DATE NECESSARY THIS VALENTINE'S DAY. DON'T MISS ADVANCE PREVIEWS ON SUNDAY!

Mid-second date the guy asks me what kind of pension plan I have as I was 'getting on a bit' at 25. There was no third date #howtobesingle

My blind date turned up slightly drunk with a plant she had taken from the train station as a present for me. My mum still has the pot.

Was set up on a blind date by someone at work. Date turns up... it's my best friend's current boyfriend. #howtobesingle

On a first date with a guy he suggested we go on holiday together and that I should meet his whole family at his sister's wedding.

First date. park bench, head on his shoulder, all going well until he starts firmly massaging my ears. And I mean *firmly*. #howtobesingle

Third date and we're walking my dog. He admits he doesn't care for the dog's name and starts offering new suggestions. Um, no?

That moment when my date turned up wearing a Christmas sweater... In July! I was in shorts and a t-shirt. Awkward! #HowToBeSingle
